Safeguarding at Nelson Infant School

All staff, volunteers and visitors have a statutory duty to safeguard children and families at Nelson Infant School.
If you have any concerns about a child or family in our school, you must share this information immediately with one of the following:

Becky Edwards – EYFS Teacher – DSL & Cultural Capital Lead
Carly Green – School Business Manager & Domestic Abuse Champion – DSL & Young Carer Lead
Louise Smith – Deputy headteacher – DSL & EYFS Lead
Hanna Dooley – SENco & Teacher - DSL

If you are concerned about a matter related to Neglect, Physical Abuse, Emotional Abuse, Domestic Abuse or Sexual Abuse, you must do the following:

Staff - Record your concern on CPOMS and alert the named DSLs.

Visitors & Volunteers – Fill in a detailed Record of Concern form and hand it directly to one of the named DSLs. Forms can be found in the Staff Room or SLT Office.

Do not think your concern is insignificant if it relates to hygiene, presentation or behaviour. We would rather know about something hat appears to be minor, than miss a vital piece of information.
